22-24 JANUARY 2019 MADRID-SPAIN

POLITÉCNICA
POLYTECHNIC UNIVERSITY OF MADRID

/ABOUT GNA UNIVERSITY/

GNA University is promoted by GNA Gears Ltd. which is one of the companies of GNA Group.

GNA is one of the largest integrated plants in the subcontinent of Asia with an annual turnover exceeding \$115 Million coming from GNA Gears and GNA Axles Ltd. The company has a large customer base with diversified product range covering different sectors of the automotive industry.

GNA University (GU) being an industry led university is designed to be a leading higher education organization engaged in creating, preserving and imparting knowledge to a diverse community of students. The University “aspires to nurture value based leaders who have knowledge and skills to create success in their organizations. The university seeks to improve the quality of life through eclectic blend of science, technology and humanities for innovative solutions to real life problems. The university is engaged in imparting, creating, preserving and propagating knowledge in the global context” The unique feature of the programs conducted at the University is the focus on experiential learning, industrial internships, learning to learn principles, flexible, credit based study programs and holistic development of students which in turn will ensure their employability.
